Section 2: Awarding Grant Funds

Grant funds are awarded by year. In order for your family to be eligible for any grant funds, your prior year fees/tuition must be current. If your family meets the financial eligibility requirements in Section 1, you may be awarded some financial assistance; however, this is not guaranteed. Preference is given to those families who demonstrate a spirit of volunteerism and are active in their support for the school. The amount awarded will depend on the availability of grant funds and the number of families requesting assistance.

Tuition will never be 100% funded through grant assistance.
